Dear [Redacted]:

It is my genuine pleasure to thank you for your VERY generous gift to our recent charity auction. It would be difficult to describe the excitement that the DiMaggio Serigraph caused, but if you remember that it was shown in a roomful of professional baseball players and fans, you may get some idea of the impact.

Apart from the fact that it was a truly stunning work, the autograph of Joltin Joe himself made the picture the most desirable item we had in our event. After spirited bidding between a local businessman and one of the professional athletes present, the serigraph went for a whopping \$15,000 and the winner was very happy indeed..

Thank you so much for thinking of us. The DiMaggio really made our 19th Charity Auction a night that will never be forgotten.

Sincerely,

A handwritten signature in cursive script that reads "Chris Finch".
